

COZUMEL POWER SNORKEL ADVENTURE & TASTE OF MEXICO

The Power snorkel Adventure it's an excursion that takes you to explore the reefs of Cozumel on a new and different way. The Sea Scooter Yamaha RDS 300 provides the enough speed that helps you to swim over to the reef with less effort and spend more time snorkeling. Go beyond with no more struggling against the current. Go profession and try your free diving skills over tropical reefs surrounded by the colorful marine life. This is Ideal for NOT strong swimmers or handicap people. Our professional and well-trained guide will give you an instruction of how to use the equipment and enjoy the activity.

After the amazing power snorkel activity we have for you facilities such as showers, bathrooms Umbrellas, Long chairs and a comfortable restaurant where we will serve a delicious meal and while you wait to be served your guide will prepare a traditional guacamole.
